## ON PROPERTY RAM SALE

**Yarrowonga** offer a large amount of rams each year at auction. This is the only opportunity for clients to purchase our genetics as we don't sell at any multi-vendor sales. This means that our sale consists of stud and commercial rams.

**We are passionate** about supplying quality genetics at affordable prices. Our commercial clients are always at the forefront of our minds and this year Yarrowonga will offer 280 rams. This is 40 rams more than last year. **We supply ram packages for all budgets!**

**Please utilize our website** to find out more on Yarrowonga. Over the weeks leading into our ram sale we will be putting updates on our social pages and website to keep you updated. This will include individual photos and data and important information on our ram sales and genetics.
