## INSPECTION DAY

**Monday 6th September** | Yarrawonga will hold its on property inspection day on Monday 6th. All rams will be penned as per catalogue. This day will allow clients extra time to inspect rams.

## ON PROPERTY RAM SALE

**Monday 13th September** | Yarrawonga will hold its usual open cry auction but with COVID-19 continuing to interrupt our lives, we will again be selling through an online livestreaming platform.

This year STOCKLIVE has changed its seed stock brand to **Elite Livestock Auctions (ELA)**. Please be aware that there is nothing different from last years online auction besides re branding.

■ Our genetic trends continue to head in the correct direction, as we invest in genomic sequencing and continue to run a large AI and ET program.

■ This years sale team have all been vet checked by Coolac Vets, this provides you as buyers with the confidence that the purchased rams are fit for purpose.

**Website & Social Media** Over the weeks leading into our ram sale we will be putting updates on our social pages and website to keep you updated.

**Contact us** because we are extremely happy to cater for anyone's needs in this uncertain time.

**Photos and videos of every lot** will be available  
on the *Elite Livestock Auctions* platform after our inspection day.

**280 RAMS**
